Summary

Well, the rain never materialized but the riders definitely did, we had very few non-starters which was great to see. Congratulations to all the prize winners – seven riders under 50 minutes is just fantastic. A strong women's field produced an exceptionally competitive race – 14 seconds separating the top three.

Thanks, once again, to Derek and Jean Storer for sponsoring this event and to everyone who stayed behind for the presentation.

Thanks to Sue and Roy for time keeping duties. Lastly, thanks to all the members and friends of the club who helped out with the event.

Hope to see you again next year.
